

Responsible Server Training

NYS Alcohol Beverage Control laws and your responsibility as an alcohol server or seller.

This program can be tailored to your setting. **Responsible Server Training** is available for establishments that serve alcohol on-premise, stores who sell alcohol, and fairs or festivals where alcohol is permitted by event. Participation in RST provides liability reduction and new hire compliance when completed within the first 90 days of employment. Participants will receive a 3-year certification approved by the NYS Liquor Authority.

WHO IT'S FOR

- Bartenders and servers
- Liquor store clerks
- Grocery and convenience store clerks
- Organizations who serve alcohol at fundraising events

WHAT TO EXPECT

- Understand NYS Alcohol Beverage Control laws and your responsibility
- Develop effective ID checking techniques
- Learn how to document incidents appropriately
- Understand "Alcohol to Go" laws
